CATAMARAN AND OLD  
RECIFE

RECIFE, BRAZIL

Sail a catamaran along a river through downtown Recife to discover why the city is sometimes referred to as 'Brazil's Venice'. The sprawling city covers three islands filled with everything from soaring skyscrapers to colourful colonial mansions. Some 40 bridges tie it all together, and they, too, vary widely in age and architectural style. Next, you'll exchange your catamaran for a coach and head for the Marco Zero Square. From there, you'll walk along the Rua do Bom Jesus, admiring its remarkable buildings from the 17th century. You will visit an old building that today houses the Museum of the Giant Puppets of Olinda - a permanent exhibition of more than 70 giant puppets used in carnival parades.

VOYAGE TO THE PAST

PUNTA ARENAS, CHILE

Explore the intertwined histories of Patagonia and Ferdinand Magellan on this fascinating journey. Visit the Nao Victoria Museum to inspect a full-scale replica of Magellan’s 1500s ship, complete with period navigational tools, artillery, and artefacts, set beside the very strait he discovered linking the Atlantic and Pacific. At the Maggiorino Borgatello Museum, founded by Salesian missionaries, browse exhibits on natural history, indigenous cultures, and the gold rush era. From the hilltop viewpoint of Cerro de la Cruz, enjoy sweeping views across the Strait of Magellan to Tierra del Fuego—possibly admired by Magellan himself. Finally, in Punta Arenas’ Plaza de Armas, pay tribute at the monument to the legendary explorer who charted the course of global navigation.

ICONIC AOMORI

AOMORI, JAPAN

See some of the beloved attractions that define Aomori and its namesake prefecture, including a seaside Shinto shrine with hundreds of bright vermilion torii gates. The torii at Takayama Inari Shrine are so close together that they form a tunnel that snakes along the forest, giving the setting an almost mystical atmosphere. The shrine is dedicated to the gods of harvest and maritime safety. Visiting Auga Fresh Market, you can expect to see everything from live octopus to nori, a dried seaweed used in countless Japanese dishes. You may wish to snack there before independently exploring Shinmachi Street, Aomori’s main thoroughfare for shopping.
